Dental procedures involve the roots and the pulp of the teeth. The issue may be of a root canal or pulpotomy, opening the pulp chamber to drain an infection or remove the pulp from a toodhy hamber to drain an infection or remove the pulp from a toodhy pulp chamber to drain an infection or remove the pulp from a toodhy pulp chamber. But city-based dental and Maxillo facial surgeon Arumalla Sridhar Reddy goes beyond and touches hearts. Flush with a sense of contentment, he has just returned from Delhi where he received Bal Kalyan Puraskar-2019 (Child Welfare Award) from President Ram Nath Movind in recognition of his commendable contribution and service to children. For years, he has been walking the terrain of surgically fitting the terrain of surgically fitting dental prosthetics like crowns or caps, veneers, bridges, implants and dentures, a job that dental surgeons do, or dealing with hard and soft tissues of the oral and maxillofacial regions, treating diseases, implants or defects. But somewhere along the line, he trespassed, into a landscape of less privileged children and concern for them.

A forerunner in spreading awareness on oral health in this care and concern for them.
A forecunner in spreading awareness on oral health in this region, he has reached out to more than 8.5 lakh children in the Government and municipal schools besides rural pockets for fere dental darbed, who were be conducted hundreds of awareness camps, he designed 'Dentist on Wheels', a bus equipped with paraphernalia to treat dental ailments, and set out in villages when he producted the dental wareness camps to the financiacilly boor serior citizens besides free treatment to or phans, street children, destinute and immates of old-age homes.

He had seen his grandfather and father, who were freedom fighters and social workers, rendering selfless service to the coming the service of the coming the coming the service of the coming the service of the coming t

munity. Handling financial crisis during his college days after his futher fell seriously ill and was confined to the bed, Sridhar shouldered the family responsibility even as he managed to complete his course in dentistry. "By working at different places and for many extra hours, I pooled upto 32 lakh and used it to open a small clinic in the city in 1995; he shares. By next year, he started moving out of his dinic and visit-shares, and the started moving out of his dinic and visit-development of the started moving out of his dinic and visit-development of the started moving out of his dinic and visit-development of the started moving out of his dinic and visit successive services, he bought a tosed hus in 1998 and named if 'Dentist on Wheels' taking the

mobile facility to remote areas.
"I can't forget my joy when we drove the mobile clinic facility to the SACV Children's trust, a UK-based charity working for how the solvent members of the sake of t

bit and began to drive his bus to

bit and began to drive his bus to the children's home as frequently as possible. Soon he developed a special bond with the immates. Impressed by his warmth and affection and the strong bond, the Ukbased trautes of the SKCV Children's home appointed Dr. Scidhar as the Lifetime Chairman of the Trust.

In his capacity as Chairman of the Krishna district chapter of the Indian Red Cross Society, he has effectively used the platform to provide medical relief to HiV-infected women and to ensure innel, supply of blood units to children affected by thalassemia. He was at the helm when the Society collected \$5,000 units of blood at a Tiranga' mega blood donation camp in just six hours.

AWARDS GALORE

Besides the recent Child Welfare Award, he has many recognitions to his credit.

Fourteen Governor's Gold Medals in recognition of his humanitarian service.

In December last year, he made it to the Guinness Book of World Records for performing 'World's Largest Dental Health Check' with 21,223 participants at a single location in a day.

Chairman of Dr. Sridhar Cral Health Foundation, is yet another bat he wears to zealously serve the community. Of all be roles, he loves the one that takes him to the kids at Bharanipuram. "Some of them are as young as five and six and I am awe struck by their innocence that may get destroyed if we leave them on the streets," he says, adding. "This award has increased my responsibility to invest more time and energy and reach out to a distressed child regardless of time and distance," he signs off.

Fused jaw bone of girl removed

VIJAYAWADA, Oct 13: In a VIJAYAWADA, Oct. 13: In a race surgical feat, Dr A Sindhar Reddy of Sridhar Super Spe-ciality Densal Hospital here, has made a six-year-old gril open her mouth for the first time in her

life.

The girl, Jaya Lakshnii, had been pushing small morsels of food through a narrow opening in her mouth, since her jaws were fused due to an injury suf-fered during the birth. Dr Sridhar Reddy and Dr Muthu Sekhar per-

mouth and with some regular ex-ercises the girl will become normal within a month," Dr Srichar told a press conference here

He said fused jaw bones devclop due to strong injuries to the chie or insufficient care in "for chin or insultional care in to-ceps, delivery. If the forceps is strongly pressed against the hear the area develops clotting and later leads to fusing of the jaw bone. The patient loses the powe

to open the mouth. He said district Collector Chi formed a 150-minute surgery (ego orthoglassy) ystereday and implanted a rib bour (easternounding stall) sifer removals (for the standard and t

Dental camp enters Guinness records with 21,333 check-ups

TIMES NEWS NETWORK

Vijayawada: Dr Sridhar Health Foundation and the Indi-an Red Cross Society, made it to the Guinness Book of re-cords, by organising dental check-up camps for as many as 21,333 students in a span of eight hours, on Wednesday.

The mega dental camp was held in association with the Krishna district wing of the Red Cross Society, at Andhra Loyola College, from 9.10 am to 6.10 pm. The camp broke the record set in Gujarat in 2016, where 14,978 people underwent dental checkup on a single day. The representative of Guinness Records, Swapnil Dagnekar, presented the record to Dr A Sridhar and Krishna district collector B Lakshmikantham, the chairman of the

Students get free dental check-up at world's largest dental health camp, at Loyola auditorium in Vijayawada on Wednesday

district Red Cross Society.

About 500 dental doctors were roped in for the camp and 200 house surgeons from nine dental colleges in the state including Vijayawada Government Dental College, offered their services and became part of the record. Speaking on the occasion, Lakshmikantham said that the record will be shown to chief minister N Chandrahahu Na. idu and also appreciated the efforts of the managements of schools and colleges for working towards making the record. Students from various schools and colleges availed the free medical check up.

Dr. Arumalla Sridhar Reddy is one of the most renowned and professionally successful Dental, Oral and Maxillofacial Surgeons of India. He runs the largest and most sophisticated dental facility in the country, "Dr. Sridhar International Dental Hospital" in Vijayawada, Spread over 10,000 Sft. area, equipped with the state-of-art technology and highly proficient team of specialists, the hospital offers complete spectrum of dental treatments. Dr. Sridhar is one of the pioneers in the country to introduce laser and blue-cam technology into dentistry and he brought high-end dental technology to the reach of common people.

Dr. Sridhar is a self-made man that hailed from a rural agrarian family. He strived hard against all odds to become a proficient dental surgeon, who brought beautiful smiles into lakhs of faces with rare dental surgeries and treatments. In recognition of his yeomen services to over 8.5 lacks children, Dr. Sridhar was honored by Hon'ble President of India Shri Ramnath Kovind with NATIONAL CHILD WELFARE AWARD in 2019. He was awarded "OUTSTANDING DENTIST OF THE YEAR" for four consecutive years by FAMDENT Awards of Excellence. Influenced by the ideal of selfless service, through Dr. Sridhar Oral Health Foundation, he has been offering FREE DENTURES to the aged poor people and free treatment to orphans and destitute children. He was honoured with AP State Government "KALARATNA HAMSA AWARD" in recognition of his professional and social services. He achieved GUINNESS WORLD RECORD by conducting the World's Largest Dental Health Check with 21,233 students and 800 Dentists in a single day.

Dr. Sridhar has been serving as the Chairman of Indian Red Cross Society, Krishna District in Andhra Pradesh. His committed services provided solace to thousands of lives in distress. He organized Tiranga Mega Blood Donation Camp in which 8,300 blood units are collected in just 8 hours. He reached relief to 14,000 families during Krishna River Floods in 2010 and received NTR TRUST AWARD for the yeomen services. He has been prolonging the lives of hundreds of Thalassemia children by providing blood free of cost. He received Gold Medal from Hon'ble President of India, Shri Pranab Mukherjee in 2017 for his committed services and Meritorious Certificate from Hon'ble Union Health Minister, Sri J. P. Nadda. He received 14 Gold Medals and Seva Award from Hon'ble Governor of Andhra Pradesh.

Dr. Sridhar, as the Chairman of SKCV Children's Trust, has been saving the lives of hundreds of street children and runaway children, who are otherwise vulnerable to exploitation and sexual abuse. Through Childline, he is rescuing children from Railway Station and restoring them secure childhood. He is running three homes for the street children, which provide free food, shelter, quality education and professional training to give them a dignified life. So far, thousands of children are given new life through the trust. Dr. Sridhar services to street children were specially mentioned while National Child Welfare Award being presented.

He is a great human being, who is making a difference with his work and commitment to values.
